

# The Solaria PowerX Advantage Series Solar Panels

Solaria is redefining the future with break-through residential solar technology. Our PowerX Advantage Series solar panels combine design, technology, & power to bring the most reliable energy source to your home.

## High Efficiency, High Power

At 400 watts and 20.5% efficiency, Solaria PowerX solar panels are one of the highest power residential panels available.

## High Quality and Reliability

State-of-the-art cell cutting technology, next-gen solar cells, and advanced panel construction ensure that PowerX panels are highly reliable and designed to far exceed the industry-leading 25-year warranty.

## All Black Aesthetics

Compared to conventional panels, Solaria PowerX panels have a more uniform all-black appearance.

## Power from Dawn to Dusk

Enhanced low-light performance and improved shade tolerance maintains high efficiency at low irradiance or in partially shaded conditions, further ensuring maximum energy yield.
